## 要登录至 ICR，请执行以下步骤：[对 ICR 进行身份验证](#)

- <https://containers.intersystems.com/> InterSystems/WRC
  - Docker
  - Docker PowerShell Linux ICR
- docker login**

`docker login -u="bbinstoc" -p="provided_password" containers.intersystems.com`

**docker login**  
**container.intersystems.com Username Password:**

Docker docker login container.intersystems.com

4. ICR

`docker pull containers.intersystems.com/intersystems/iris:2020.3.0.221.0`

## [列出 ICR 清单](#)

API Docker **docker-ls**  
<https://github.com/mayflower/docker-ls>

???:

- **docker-ls**
- Linux

`sudo snap install docker-ls`

- Linux **carinadigital/docker-ls:latest**

`docker run --rm carinadigital/docker-ls:latest`

**docker-ls** ICR  
`docker-ls repositories --registry https://containers.intersystems.com --user  
username --password password`

`--interactive-password`

`-user ? --password ("")` InterSystems IRIS for Health

`docker-ls tags --registry https://containers.intersystems.com --user "" --password "" intersystems/irishealth-community`
